

North-Central Florida Bill of Rights Tea Party

“Clinging To Religion and Guns Since 1776”

On July 3rd, 2009, at 5:30 P.M., we invite patriots to gather at the Gainesville Target Range for an Independence Day and Bill of Rights Tea Party to help celebrate the founding of our country, and the Bill of Rights, one of the greatest sets of rights reserved to the people since the Magna Carta.

We are doing it on July 3rd so that families can be together on Saturday, July 4th.

We will have some great events, activities and a family friendly, carnival like atmosphere to celebrate our country and our Bill of Rights.

What It Is About:

Literally, it is about whether or not the Constitution and the Bill of Rights mean anything, anymore. For example, Barack Obama just nominated to the Supreme Court, a judge who once ruled that rights reserved to the people in the Bill of Rights aren't really protected against encroachment by states, counties and municipalities. Specifically, she ruled that even though the Federal Government could not infringe on a citizen's right to bear arms, those rights are not protected from states, counties and towns.

What is really scary about that is that the Bill of Rights also protects your right to free speech (the First Amendment), the rights against unreasonable search and seizure (the Fourth Amendment), due process (the Fifth Amendment) and your right to an attorney (the Sixth Amendment).

Dirty Harry was one tough dude, but rulings like those from Sonia Sotomayor have the potential to wipe out our rights, en masse, and that is really scary.

Speakers:

In the upcoming weeks, we will be announcing some great speakers for this event, including some of our elected officials.

Activities:

There will be some great activities, including a shocking demonstration of what is and isn't an assault weapon, by the government's criteria, and there will be free target shooting with 22's as well as some great information on gun and sportsman safety.

Many of the activities and booths we will have will be fun, and educational in nature. You might have an opportunity to test your knowledge of our Constitution and Bill of Rights, and win some prizes in the process.

We plan to have some great activities for kids, and organizations will have booths set up, including Alachua County Fair Tax and others.

Food and Drink:

David's BBQ will be in attendance with some great BBQ.

Sponsors:

Ron Shema and the Gainesville Target Range, Picket Weaponry of Newberry and

Special thanks to David's Real Pit BBQ for providing great BBQ at a great price.

Event Recap:

What: Bill of Rights Tea Party
Date: Friday, July 3rd
Time: 5:30
Location: Gainesville Target Range - 1610 NW 65th Place

Feel free to bring a sign with your message (be polite). We will have some limited supplies to make signs.

A BIG THANK YOU to WSKY, 97.3 FM for promoting the Tea Parties all around the North-Central Florida area.

Thank you to Jake Fuller for the great cartoon.
